**Thank you, thank you!** All of you give me such joy every time we meet, and now one of you has blessed me once again. Last Sunday Guy gave me a small box and told me it was a gift from one of you my friends, thank you. You could not have given me a more welcome gift. My old eyes are not able to read small print too well now and all my bibles are in small print, but this friend gave me a Kindle and now I have my bible on it and can read it anywhere without eyestrain. Some of you may not know what a Kindle is, I'd be happy to show you next time we meet. God bless you all and thanks again for your love for this old codger.
