

Please pray for:-

Peter Foord who has just finished a course of radiotherapy.
Please pray that this will work.

Hilary Fortnam (Rachel Barton's Mum) - the doctors have decided that an operation is too risky and they are opting for targeted radiotherapy on her spine. She is feeling down and believes paralysis is inevitable now. Please pray that the treatment can start soon and for a positive state of mind.

Derek Parmiter (Gillian Clark's father) who has vascular dementia.
Please pray for the family at this difficult time and pray for wisdom as to the way ahead.

Ann Standen (friend of Lee Smith) who is in hospital having had a leg amputated. Please pray for her recovery and for her future.

Lucy Upfield who is on some new drugs which do not appear to be working but King's hospital are reviewing them and hopefully will find something better. She is attending school a little bit but is in continual pain. Both her legs are affected which is making life even more painful and harder to walk for long.

Molly Upfield who is not so good again, please continue to pray for her.
Mark, Karen & George Upfield as this is a very difficult time for all the family.

Please continue to pray for the following:-

**Howard Chilton, Andrew Doherty, Jane Green,
Ruth Hooper, Serena Pinfold, Rose Waller & Steve Willis**

The Persecuted Church - To guide your prayers and support for our persecuted and often in poverty brothers and sisters in Christ, please go on the Barnabas Open Doors and NK and Beyond web sites.
