Mandy Love Graduates from the Worship Academy!

This weekend's graduation marks the end of a challenging & exciting two year spiritual journey for Mandy & 34 other students, all from different church denominations & even from different nations. Being on the academy has involved teaching & study as well as group & individual presentations at the end of each year. For the graduation this weekend, Mandy is playing one of the lead roles in a musical presentation of Psalm 63 to all the guests attending the graduation (guests include Malcolm, Guy & Luci and Rosie & Frank). This is something she has never done before! She has also been on tour with the Academy, visiting the home churches of the students around the country & would love to have the academy students come to the Welcome. She would like to thank everyone who has supported & prayed for her & describes this two year journey as Spiritually Life Changing!!

HELP WANTED - Memralife Group (Spring Harvest & ICC Recordings) attend a wide range of Christian conferences in the summer for recording, duplicating & selling the talks here in the UK. This year, for the first time in a long time, we are struggling to find help to do this process. We need able & fit people to record or work on our sales team & all training will be given. We prefer all volunteers to be over 18 but will take 17 year olds with parental consent in some circumstances. The type of work does tend to suit students but not exclusively so. All volunteers will get food & accommodation provided although of many of the sites it is the equivalent to camping, all reasonable travel expenses & a cash gift of around £100 for each week worked. Each team member will get time off through the week to enjoy some of the activities that are available but at the end of each week the work can be long & physically demanding. Our role is to record God's word and in doing so get the teaching out to as many as possible. Many lives are impacted throughout the year as a result of this valuable ministry. If **there is** anyone who would be free to help please contact either luke.martin@essentialeventmanagement.com or sarah.baldock@essentialeventmanagement.com
