

Please pray for:-

David Anstead who continues with his treatment. He goes to London for a scan tomorrow & then sees the main consultant on February 24th.

Lesley Dann who is on holiday visiting Australia and New Zealand. Whilst in New Zealand she will be on her own in a camper van touring, so please pray for her safety in travelling. She returns home on the 25th February.

June Foord who is recovering well at home after dislocating her hip for the second time, following a hip replacement operation.
Please continue to pray for her & for Peter.

Hilary Fortnam (Rachel Barton's mum) as she continues to recover following her hospital stay with a blocked bowel. She is very tired and has little energy. Please continue to pray for her.

Irene Smith who is still in hospital but hopes to be home tomorrow.
Please continue to pray for Irene, and Paul, Janet & Chloe.

Lucy Upfield as her last MRI revealed no sign of a tumour. **Praise God.** However, she is now getting bad backaches 24 hours a day. This could be down to scar tissues sticking to the root nerves in her back which can lead to a life-time chronic problem. She has a meeting with her care team in King's hospital on 4th February so they will find out more then. Please pray for Lucy and for Mark, Karen, Molly & George.

Steve Willis who will be going into hospital on the 15th February for a hip replacement.

David Yeomans who has a problem with his spine and is in considerable pain.

Please continue to pray for the following:-
**Howard Chilton, Sandra Curquejo, Jane Green,
Serena Pinfold, Brenda Rankin & Rose Waller**
