**HELP WANTED** - Memralife Group (Spring Harvest & ICC Recordings) attend a wide range of Christian conferences in the summer for recording, duplicating & selling the talks here in the UK. We need able & fit people to record or work on our sales team & all training will be given. We prefer all volunteers to be over 18 but will take 17 year olds with parental consent in some circumstances. The type of work does tend to suit students but not exclusively so. All volunteers will get food & accommodation provided although of many of the sites it is the equivalent to camping, all reasonable travel expenses & a cash gift of around £100 for each week worked. Each team member will get time off through the week to enjoy some of the activities that are available but at the end of each week the work can be long & physically demanding. Our role is to record God's word and in doing so get the teaching out to as many as possible. Many lives are impacted throughout the year as a result of this valuable ministry. If **there is** anyone who would be free to help please contact either [luke.martin@essentialeventmanagement.com](mailto:luke.martin@essentialeventmanagement.com) or [sarah.baldock@essentialeventmanagement.com](mailto:sarah.baldock@essentialeventmanagement.com)

We have had some response but would like one or two more, so if you would like to be involved, please speak to Sue Lade.
