

Please pray for:-

John Abbott who is out of work and looking for employment.
Please pray for the family at this time

Andrew Doherty who went to London on Wednesday to see the chest specialist and neurologist who both noticed a slight improvement from when they saw him last. It is going to take a while for the damaged nerves to heal, then once they start to heal the diaphragm should hopefully start working again and then the lung. He may not make a 100% recovery, but we are hoping it will be as much as possible. He will have another nerve test in 3 months time and the Drs hope to see a significant improvement by then. So prayer for Andrew's patience and healing of the nerves would be very much appreciated, thank you. Thank you for all your love and support for the whole family at this time.

Peter Foord who has started a new treatment. Please pray that this treatment will work. Please continue to pray for **Peter & June**.

Praise The Lord

Serena Pinfold heard this week that if she does not relapse between now and Feb 2012, she should be able to come off her medication.

Irene Smith who is still in hospital undergoing tests.

Bryony Tanner who has an MRI scan on Monday 6th June.

Molly Upfield that her medication level can be sorted out so that she starts to feel better and the symptoms are relieved.

Please continue to pray for the following:-

**Howard Chilton, Hilary Fortnam (Rachel Barton's Mum)
Jane Green, Ruth Hooper, Rose Waller & Steve Willis**
