

Ephesians 6 v 18 - Pray at all times and on every occasion in the power of the Holy Spirit. Stay alert and be persistent in your prayers for all Christians everywhere. (NLT)

Please pray for:-

David Anstead who continues with his treatment. He had a scan this week & will know the results when he sees the consultant on February 24th.

June Foord that the hip recently operated on will stabilise and for **Peter Foord** who goes into hospital on Tuesday to have his lungs drained. He will be in hospital for about two days. Please continue to pray for June & Peter. They thank everyone for the cards they have received.

Hilary Fortnam (Rachel Barton's Mum) who had a clear liver scan this week but has a suspected perforated bowel and is in hospital for observation and possible surgery.

Lucy Upfield as she is now getting bad backaches 24 hours a day. This could be down to scar tissues sticking to the root nerves in her back which can lead to a life-time chronic problem. She has a meeting with her care team in King's hospital on Friday (4th) so they will find out more then. Please pray for Lucy and for Mark, Karen, Molly & George.

Steve Willis who will be going into hospital on the 15th February for a hip replacement.

David Yeomans who has a problem with his spine. He is still in pain but it has improved.

Please continue to pray for the following:-

Howard Chilton, Sandra Curquejo, Jane Green, Serena Pinfold, Brenda Rankin & Rose Waller
