Thank You from Mark Long a Paramedic at Heathfield Ambulance Station.

Just to say thank you to you and the church for the unexpected gift. The incident we went to showed us first hand the very worst of humanity, when you gave the gift it showed the best. The people who attend your church have given money not knowing where it was going and to whom, which is selfless and compassionate. To be able to treat my family and myself with the money was good but the thought that went into the gift was even better - it left me feeling more refreshed and went some way to balancing out the events.

Thank You - Carol Hanks and Adele Yeomans would like to thank everyone for the cards and best wishes on the joyful occasion of their baptisms.

Thank you all.
